

SUMMER NEWSLETTER

JUNE 2025

LOCAL OFFER / SEND INFORMATION HUB

Thank you to all the parents and carers who came along to the Local Offer/SEND information hub evening meeting on Zoom, to give feedback to our new Local Offer Officer, George Austin.

Thank you also to George for your time listening to and answering questions.

We look forward to seeing the pages online develop.

If you would like to give feedback please email

localoffer@medway.gov.uk anytime.

There is also a feedback tool at the bottom of the pages on the Local Offer too so please make sure you have your say on anything you think needs adding or updating.

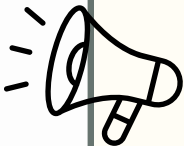

Please see our Facebook pages for details of the presentation that George shared with us.

HAVE YOUR SAY

There are 2 important consultations happening at the moment and it is really important that you get to have your say about issues that are local and are likely to affect your children.

The consultations are **SEND strategy** and **Education travel assistance policy**.

Please see our Facebook pages to access the link to give your feedback on both consultations or contact us on info@medwaypcf.org.uk if you would like more information.

thank ★ you ★

Events Attended

A big thank you to all the parents and professionals who joined us at the Chatham Hub for a coffee/tea/biscuit/cake and chat.

This informal morning saw lots of parents chat about everything going in their lives with our friendly team that can offer help, advice and signposting.

We hope those who came along found it useful. Due to the success of this we will be holding more coffee mornings like this for parents and carers so keep checking our pages.

Special thanks to:

Rivermead School for inviting us to their Year 11 open evening.

Mierscourt Primary School for inviting to hold an information stand at their SEND coffee morning.

Victory Academy for inviting us to their year 7 transition marketplace event.

Mid Kent College for inviting us to their ALS drop in session.

Lordswood School for inviting us to their SEND coffee morning.

New Horizons School for inviting us to their coffee morning for families and carers.

2 J's preschool for inviting us along to discuss how we can work together to support families.

Child Friendly Medway for inviting us to their partnership board meeting, 9th City Hall: 'Sunken Ships in LEGO® Bricks' event and their SOFT PLAY & INFLATABLES FUN DAY event.

Partnership working really helps families.

Please get in touch if you are a school/college/preschool and would like us to come along to speak to parents and carers on info@medwaypcf.org.uk

Watch out for our Summer holiday newsletter at the end of this term for information and dates on events we will be attending throughout the summer holiday.
